

7th Transgenic Technology (TT) Meeting

TT2007

Brisbane, Australia, 12-14 February, 2007

Meeting Organiser: **Elizabeth Williams**

Institute for Molecular Biosciences, University of Queensland
Queensland 4072, Australia

e-mail: e.williams@imb.uq.edu.au

WEB: <http://tasq.uq.edu.au/TT2007>

Sessions

Assisted Reproduction- Mouse IVF, ICSI and Cloning
ES cells: ES cell lines/strains, targeting and strategies
New Trends in Transgenic production
Round Table Discussion- Transgenic Facilities
New Work/Short Presentations
Use of Transgenics in Research
Services for Transgenic Research
Cryopreservation- Mouse Embryo and Sperm

Speakers

Richard Behringer (M.D. Anderson Cancer)	Stefan Moisyadi (University of Hawaii)
Ric Broadhurst (AgResearch, New Zealand)	Kazuki Nakao (Riken, Kobe)
Phil Crosier (Uni. Auckland, New Zealand)	Bjorn Oback (AgResearch, New Zealand)
Kerry Fowler (MCRI, Melbourne)	Jan Parker Thornberg (M.D Anderson , Houston)
David Hume (IMB, Brisbane)	Andrew Perkins (IMB, Brisbane)
Darryl Irwin (AGRF, Brisbane)	Stuart Read (Australian Phenomics , Canberra)
Frank Koentgen (Ozgene, Perth)	Jillian Shaw (Monash University, Melbourne)
Satish Kumar (CCMB, India)	Satomi Tanaka (Kumamoto University, Japan)
Carlisle Landel (Philadelphia)	Kader Thiam (GenOway, Lyon)
Michelle Lane (University of Adelaide)	George Thouas (Monash University, Melbourne)
Klaus Matthaei (ANU, Canberra)	Johannes Wilbertz (Karolinska Institute, Sweden)
Karen Brennan (Children's Hospital Westmead, Sydney)
